### **RECOMMENDATION OF ODEDINA, OMOLADE TEMITOPE**

The above named person is currently a Master's Degree student of the department of Computer Science at the African University of Science and Technology, Abuja, Nigeria.

She Obtained a Bachelor of Engineering Degree in Electrical and Electronics Engineering (Second Class Upper Division) from Federal University of Agriculture, Abeokuta, Nigeria.

Based on my knowledge of Omolade's appetite for academics and leadership traits, I would strongly recommend her in your selection of candidates who are considered suitable for internship.

Yours sincerely,

Dr. Rajesh Prasad  
Associate Professor  
Department of Computer Science & Engineering  
African University of Science and Technology
